DUKIN OUTDOOR

ENJOY THE CULINARY LUXURY OF THE OUTDOOR KITCHEN COOKOUT

Meet the benefits of preparing food outdoors and enjoy nature.

The modern design of the CookOUT outdoor kitchen blends beautifully with other elements around the house.

FLEXIBILITY

Various colours and design options satisfy your taste and integration into the environment.

SUSTAINABILITY

Quality production ensures long-standing use and easy maintenance.

QUICK INSTALLATION

The kitchen is assembled on delivery and is placed on a desired location in a moment.

OWN DEVELOPMENT AND PRODUCTION

Knowing the processes of development, production and experience are our advantage.

YOUR DESIRES, OUR MISSION

Create the outdoor kitchen based on your desires and needs.
You can choose between different varieties in the following sections.

FUNCTIONAL ASPECT

The CookOUT is available with or without the lift cover.

The lift cover protects the kitchen's working surface, if the kitchen is placed in a completely open area.

WITH COVER

WITHOUT COVER
