

DUKINOUTDOOR

STORE YOUR BICYCLES SAFELY WITH STYLEOUT® BIKE

With the StyleOUT® BIKE bicycle shed, your bicycles will be safely stored and easily accessible.

RETRACTABLE ROOF

Retractable roof makes bicycle parking easy.

LOW HEIGHT

Suitable for installation in urban environments.

LOCKING

A built-in lock keeps your stored items safe.

SUSTAINABILITY

High-quality materials and production ensure long-term use and easy maintenance.

SMALL SHED, MANY BICYCLES

Due to the retractable roof, that opens along with the door, the bicycles shed is low and discreet and therefore suitable for installation in urban environments, e.g. next to apartment and business buildings, schools, parks, etc. You can also use them outdoors next to your house, as they beautify the surroundings with their elegant design.
