

STYLEOUT® WASTE ENCLOSURES

Why choose StyleOUT® waste enclosure?

MADE OF ALUMINIUM

so it will never rust and will serve you for a long time.

PLANTABLE ROOF

has integrated water drainage and is perfect for planting low vegetation.

TILTING SYSTEM

allows easy access to the containers and easier waste disposal.

ADAPTABILITY TO UNEVEN GROUND

Adjustable elements allow you to adapt the waste enclosure to minor unevenness.

WHAT ARE THE OTHER ADVANTAGES OF BUYING FROM US?

MAINTAINING A HIGH STANDARD

Guaranteed quality control of our waste enclosures from the start of the production process to the finished product.

EXCELLENT CUSTOMER SUPPORT

Our consultants will work with you to design a waste enclosure tailored to your wishes and will be with you throughout the entire sales process.

THE ENCLOSURE IS ALREADY ASSEMBLED ON DELIVERY

The waste enclosure is delivered fully assembled. That means that all you need to do after the delivery is put it in the desired place.

GUARANTEED SERVICE AND SUPPORT

Accidents happen, so we'll be there for you even when things don't go as planned. Because we build the waste enclosures ourselves, we can guarantee spare parts.
