

DUKINOUTDOOR

BIobox STORAGE - SAFE STORAGE OF BIO-WASTE CONTAINERS

BioBOX is an innovative solution for the safe storage of biological waste.

WEATHER RESISTANT

The construction is durable and rust-resistant.

EASY TO CLEAN

The stainless steel base makes it easy to clean in case of spills

FLEXIBILITY

The feet are height-adjustable, so it can be placed on uneven ground.

LIMITED ACCESS

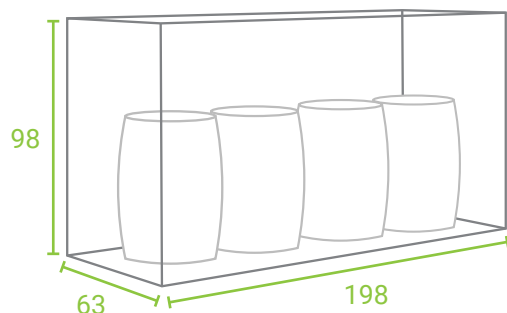

The built-in lock allows safe and controlled storage

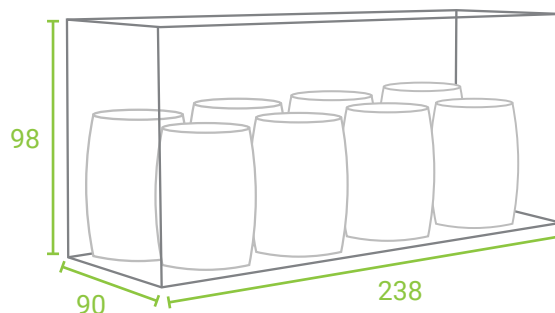

AIRY AND DURABLE BIO-WASTE STORAGE

BioBox has small ventilation openings that prevent access by rodents and larger insects. Its durable construction, protection against external influences and easy cleaning allow optimum use and long life. Equipped with a lock it allows secure and controlled storage of biological waste.
