## STYLEOUT® 120/240 BASIC - A SIMPLE SOLUTION FOR NEAT BIN STORAGE

Do waste bins spoil the look of your surroundings? The StyleOUT® BASIC waste enclosure hides them discreetly and offers a simple, durable, modular and maintenance-free solution.

### MODULAR DESIGN

Each unit holds one bin. Create a single, double, triple ... waste enclosure according to your needs!

### EASY ACCESS

Built-in tilting system allows comfortable waste disposal.

### DURABLE MATERIALS

Aluminium frame and composite panels are resistant to weather conditions.

### MAINTENANCE FREE

The structure requires no painting, coating, or additional care.

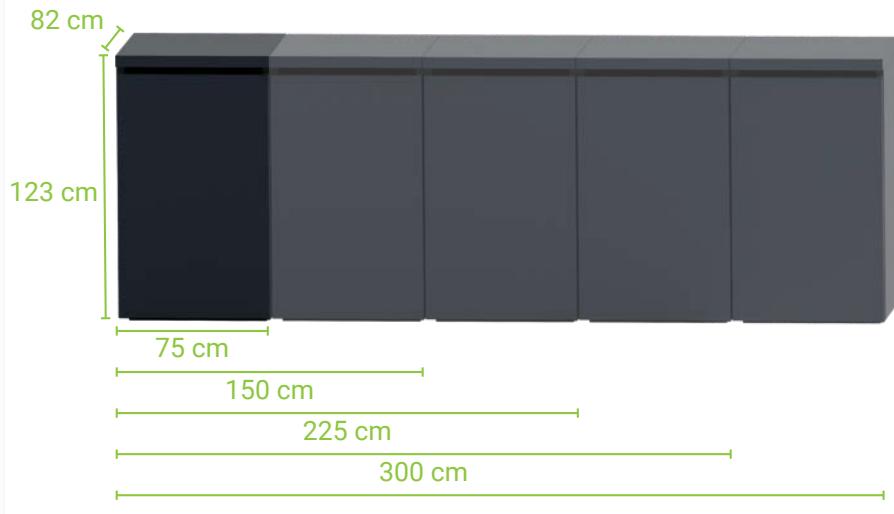

# A WASTE ENCLOSURE THAT GROWS WITH YOUR NEEDS

Modular design of the waste enclosure allows easy future expansion – when you get an additional bin, simply add a new unit. It is made for long-term outdoor use from 3 mm UV-resistant aluminium composite panels and a concealed aluminium frame. The construction is resistant to sun, rain and frost, and requires no special maintenance.

## DIMENSIONS

BASE MODULE (W × D × H) : 75 × 82 × 123 cm

EACH ADDITIONAL MODULE: + 75 cm width

## COLOURS

RAL 9007
