NEAT STORAGE OF LARGE CONTAINERS

Are you bothered by the large waste containers outside your business, tourist accommodation or residential property? The solution is the StyleOUT® 770/1100 waste enclosure. Large waste containers are hidden away, and with a wide choice of colors and wood imitations, StyleOUT® 770/1100 will blend in perfectly with its surroundings.

The StyleOUT® 770/1100 is available in four different models and sizes. StyleOUT® 770 is designed to store 770 L containers and StyleOUT® 1100 is designed to store 1100 L containers.

The retractable roof allows easy access to the containers and the low height of the enclosure allows it to be placed even in urban areas.
